**Accreditation is subject to a four yearly audit*

The centre agrees that IWCF are entitled to monitor and audit centres randomly which includes spot checks of all centres including primary centres or secondary centres without notice to the centre. In addition, IWCF reserves the right to undertake a full technical audit of the centre which will be carried out by IWCF (or an approved IWCF appointed auditor) on a four (4) year cycle to monitor and audit the centres compliance with this agreement, the Accredited Centre Manual and Information Notices.

The information below states the previous and current centre accreditation and audit dates. This information will be updated following the next successful renewal audit.

Centre Initial Approval Date:

16th June 2011
